Dear Author:

We are very excited to get to work on your manuscript! Before we begin, we have a few questions for you about your book. Your answers will help guide our edit and assure that we address any specific questions you may have. Please complete the following and return in an attached Word document.

- 1) What is the genre of your book?
- 2) Who do you see as the audience for your book?
- 3) What do you see as the main theme(s) of the book?
- 4) What is your goal for this book?
- 5) What are your biggest concerns about the manuscript? What aspects would you most like to work on?
- 6) What do you think the strengths of the manuscript are?
- 7) What do you think the weaknesses are?

If you have a synopsis or book blurb for your manuscript, please send that along as well. If not, no need to write one at this time.

Thanks!
